

Responding to Collective Worship at Home

The Theme for Collective Worship this half term is:

Justice

Reflecting on the symbol of Scales.

This half term we will be thinking about Justice – The justice revealed in the Bible is always revealed in the context of love. It includes the call to take responsibility for one another, especially the poor and oppressed, and to see that no-one is excluded from the essentials of life. Justice means more than making things 'fair'. In order for people to live together well in a just community, it is important to have rules of laws that everybody sticks to.

Think together about words of wisdom.

'In justice anywhere is a threat to justice everywhere'

Martin Luther King Jr

Key Verse – Then Jonah prayed to the LORD his God from the belly of the fish.

Jonah 2:1

To do at home...

Before electronic weighing machines were invented, scales often had two pans that were balanced when each held equal weight. Design and make a simple balance from junk materials that can weigh small objects.

A story of Justice can be found in

Jonah and the Whale

Something to think about:

Do you always act fairly?

How can our school/community/ world be a fairer place?

Are you fair to other people?

What does God think is unfair in this world?

What unfair things make you cross?

As a family you may want to talk about:

Why it is important to have rules and laws.

Rules or laws that you don't think are just (or fair)

Family rules that you think are important.
