Christmas Arrangements Penrith – Wednesday, 18 December 2019

Dear parent,

As you will be aware we have been invited to join Penrith Town in their Christmas celebrations, from 4pm on Wednesday, 18 December. There are a number of different groups performing, including, a saxophone band, Beaconside School and The Lakeland Singers. We will be performing four songs in total split over two sessions. The event is expected to last approximately 60 – 90 minutes.

It is set to be a real festive celebration for all to enjoy with singing sheets for audience participation and festive refreshments. Ideally we would like parents to accompany their children to and from Penrith but we do appreciate that this is not possible for all. We will be leaving school at 3:20pm and parking in the New Squares Carpark. Please could you indicate on the slip below whether you would be willing to help with the transport and how many seats you would have available? Once the concert begins all school children will be expected to stay with school staff. After the performance please could all children be collected from Penrith?

Of course some children may not wish to join in with this event and therefore if this is the case please also indicate on the slip so we can make adequate arrangements for ASC supervision if needed and a snack before we leave for Penrith.

I give permission for my child/ren _____ to take part in the Penrith Christmas Concert on Wednesday, 18 December 2019.

I can/cannot help with transport to the event. I have ____ spare seats with fully working seatbelts.

I do not wish for my child/ren _____ to take part in the Penrith Christmas Concert and will collect them from school @3:30pm.

Thank you
