Dear parents,

Following on from our recent consultation we discussed the future viability of the after school club provision at our governors meeting last night. Although the club is very popular from 15:30 until 16:30, based on the number of responses, we would be running the provision for the final hour at a huge loss. To run the club we need two people, one of which has to be qualified to an NVQ level 3 standard. Currently, we have no one at school that wishes to take on the role and, even if we did, the fee for the last hour would not cover the financial charges this incurs.

While this will be disappointing for some, it is not a definitive outcome and will be reviewed regularly to ensure that, if the demand changes, we can once again offer the extended service.

In the meantime, we look forward to the extensive programme of clubs we have organised next term and advise once again that, if you want to take part, please book early to avoid disappointment.

Best wishes
