

Sports Impact PE Evaluation 2015-2016

Monitoring and observing lessons

The PE co-ordinator monitors the sports coaches to ensure consistent high standards and expertise are upheld in teaching and developing skills across the range of sports in the curriculum. The PE co-ordinator also works alongside the sports coach in planning high quality sessions. This ensures enhanced quality of teaching and learning. During each PE lesson staff observe the Sports Coaches and Team teach to upskill PE knowledge and lesson delivery.

Ju-Jitsu Club – Continued weekly for the year. during the year 3 children were asked to compete nationally. The club had 10 children attending. 4 of the children attended a seminar in Windermere which involved 2 hours of coaching followed by a competition. A national competition in Windermere was held and 2 pupils came 1st and 2nd in their age group. All children have moved up belts some more than one belt.

Keith Robinson (Newcastle Falcons) delivered 5 sessions of maths / rugby and delivered an assembly for parents. The children enjoyed these sessions and we hope to have him come back in the future to deliver PSHE/ Rugby sessions.

John French (Action Ants) delivered Fencing to both Key Stages, Fencing wasn't as popular as Archery so Mr French adapted and did mini Olympics.

OAA

Year 3/4 have been on a walk to dodd wood

Year 5/6 have been mining at Tyne Botton mine and had a very enjoyable experience.

Providing opportunities for children to compete (i.e. in tournaments and fixtures between the local cluster primary schools) and attendance at cluster updates

After cluster meetings between our local schools, it was decided that schools would compete at inter-school events throughout the year. This has provided learners with an opportunity to take part in healthy, competitive sport, which has raised enthusiasm in various sports. Sports Premium funding was used to provide transport for these inter-school events.

Sporting Events attended:

A selective group were taken to Caldew to do multi skills and those non sporting children really enjoyed the experience.

Hockey – Year 3/4 went to Caldew and competed in the Hockey Tournament

Tennis – yr 3/4 went to Caldew and played mini tennis.

KS1 – attended a multi-skills festival

The purchase of sporting equipment and resources

Both Sainsbury's vouchers and sports funding was utilised to boost our school resources throughout the school e.g. skipping ropes, stilts, maypole, curling and waterproofs for OAA etc.

Who is responsible for managing this and delivering a quality sports and P.E programme?

Mrs Lawson is the PE Co-ordinator. She ensures that the PE curriculum is fit for purpose and matched to the needs of our pupils. Mr French is our qualified Sports Coach responsible for delivery of PE. The pupils in KS1 and KS2 take part in 2 hours of physical activity each week working through a challenging curriculum appropriate for all abilities.

Technology:

Video and picture stimulus is used within lessons to help learners evaluate and improve their skills.

How we will monitor the impact of 2016-17 funding:

The school monitors both the physical development and engagement levels of pupils through:-

- Teacher observation, assessment of PE and quality assurance measures.
- Pupil 100% attendance and maximum take-up at school sports Clubs
- School council and pupil voice
- Participation and achievement in school sporting events
- Improved attitudes, well-being and raised self esteem
- Improved behaviour at Lunch-time of pupils actively engaging in sport
- Parent feedback: 'Wow' notes inform school of pupils sporting / fitness achievements
- Celebration Assembly, Certificates and Sports Star of the Week.

The school will maximise opportunities for both in school and out of school sporting competitions. The results of the competitions will be shared via the school newsletter.
