Unbelievably, we are already thinking ahead to the next academic school year. Since COVID our After School Club has been finishing at 16:30. Every year we like to review this, and, if needed, look at options to provide the club for longer, either each evening or on select days. Please help us with this by completing the attached form and returning to school by Friday, 26 May.

Finally, for 6 days, over the next two weeks I will be absent from school to complete training. If you need to contact me, please use my email address: headteacher@raughtonhead.cumbria.sch.uk

Best wishes
